

## Expansions

## Expansions modules compatibility

---

**Question:**

Which expansion modules are compatible with MyChron5?

**Answer:**

- LCU-One CAN: monitors the engine carburation.
- [http://www.aim-sportline.com/download/doc/eng/lcu-one/LCU\\_ONE\\_CAN+Analog\\_105\\_eng.pdf](http://www.aim-sportline.com/download/doc/eng/lcu-one/LCU_ONE_CAN+Analog_105_eng.pdf)
- MyChronExpansion: channel multiplier. It **does not** support thermocouple sensors.
- [http://www.aim-sportline.com/download/doc/eng/channel\\_expansion/Channel\\_expansion\\_101\\_eng.pdf](http://www.aim-sportline.com/download/doc/eng/channel_expansion/Channel_expansion_101_eng.pdf)
- SmartyCam HD: <http://www.aim-sportline.com/eng/products-kart/smartycam-hd-rev2.1/index.htm>
- IR Temp Controller: samples each tyre temperature using infrared rays.
